

John Bentley

john@jwbentley.com

(760) 532-4516

Portland, Oregon, USA

I am a freelance web design and development professional, seeking to elevate the digital presence of small businesses and entrepreneurs.

Experience

Pueblo Unido PDX (January 2018 - Present)

Volunteer Brand Strategist / Designer / Developer

- Rebranded the organization by establishing a new website, reinventing their logo and creating a brand style guide for all publications
- Oversee ongoing maintenance for the website while managing other volunteers in updating website content, writing newsletters, and creating flyers
- Created a newsletter campaign and collaborated with others in content development
- Generated numerous bilingual social media posts on platforms such as Instagram

CRM Black Box (October 2017 - April 2017)

Front End Developer

- Launched a development project building and maintaining new landing pages through AngularJS
- Created hundreds of landing pages for clients using HTML, CSS, and JavaScript
- Built packaging designs utilizing Adobe Photoshop and Illustrator

Tripwire (April 2018 - Present)

Front End UX Developer / UX & Visual Designer

- Initiated and performed A/B tests, search engine optimization, and traffic data analysis using Moz, Google Analytics, and Google Optimize
- Overhauled the visual aesthetic and motion design of the corporate website using HTML, CSS, JSX, React, and Sitecore
- Reduced the home page bounce rate by 10% and increased search visibility by 25%

Education

University of California Santa Cruz

Bachelor of Science:

Computer Science: Game Design (2014)
